

Product name VEGAPOINT 21
 Model code P21.XXXXXAFMIB
 Order number CP - 222 22C

Quantity 1
 Production period (days) 3

Compact capacitive limit switch

Application area

VEGAPOINT 21 is a low-cost limit switch for the detection of water-based liquids. The optional universal connection for hygiene adapters ensures reduced installation effort and leaner stock keeping and perfectly meets the requirements for hygienic processes in the food, beverage and pharmaceutical industries. It can be used without adjustment in the application. With IO-Link, it offers continuous digital data transmission.

Your benefit

- Cost-effective limit switch with smallest installation dimensions
- Easy integration into control systems through IO-Link communication
- Coloured 360° status display, adjustable
- Comfortable wireless setup and diagnostics with smartphone

*Explosion protection	XX	without, for Ex-free area (CE, UKCA, RCM, c-CSA-us, EAC)
Overfill protection	X	without
Ship approval	X	without
Foodstuff/Pharmaceutical certificate	X	without
Process fitting / Material	AF	Thread G1 PN25, ISO228-1, hygienic design / 316L (Ra<0.76µm); EPDM; for hygienic adapter with O-ring sealing
Electrical connection / Protection	M	M12x1 / IP66/IP67/IP69
Electronics	I	Three-wire transistor (including IO-Link)
Customer-specific adjustment		No
Bluetooth operation	B	with
Additional cleaning procedure		without
Material certificate		without
Measurement loop identification		without
*Min. process pressure in bar		-1
*Max. process pressure in bar		25
Customs tariff number (HS code)		90318080
Software version		Current version
